

2019 Average Pricing Program

CHS Larsen Cooperative is offering an
Average Pricing Program for 2019!

New Crop Program:

- » October/November 2019 Cash Contract for Corn or Soybean
- » 10 Pricing Periods starting May 1, 2019 and ending on July 3, 2019
- » An equal number of bushels priced each Wednesday at the close of the market
- » No Minimum Bushel Quantity
- » Free-No Fees for Bushels kept in for the duration
- » 3 cent per bushel price out option available

Delivery Points:

- » Corn - Readfield, Center Valley, Weyauwega, Amherst, or Seymour
- » Soybeans - Readfield, Center Valley, Amherst, or Seymour

All Average Pricing Programs are Cash Contracts- both futures and basis are set.

Sign up is open now!

Deadline to sign up bushels in new crop program is **April 30, 2019.**

Contact your CHS Larsen Cooperative Grain Team Member today to sign up bushels or for more information.
