

CHS Pro Advantage

Professional pricing for soft red winter and hard red winter wheat

With the CHS Pro Advantage contract, the commodity trading experts at CHS Hedging, LLC will professionally price some of your bushels. It's a simple way to take some of the stress and worry out of selling your wheat – and it means you're diversifying your marketing, which can be a valuable strategy for navigating volatile and/or weak commodity markets.

Diversify your marketing

- Take some of the emotion out of grain marketing
- Turn decision-making over to experienced traders
- Gain insights that help you when selling other bushels
- Have benchmarks for evaluating your marketing plan
- Save time so you can focus on the rest of your operation

How it works

You commit a specific quantity of bushels for a specific delivery destination. The commodity professionals at CHS Hedging, LLC price your bushels over a set period of time. Cash settlement price is based on the performance of the futures and options traded in the program by the professionals.

- No minimum number of bushels
- Basis decision remains with grower
- Bushels may be rolled forward as per the buyer's policy
- Producer receives monthly emails with marketing progress and insights
-

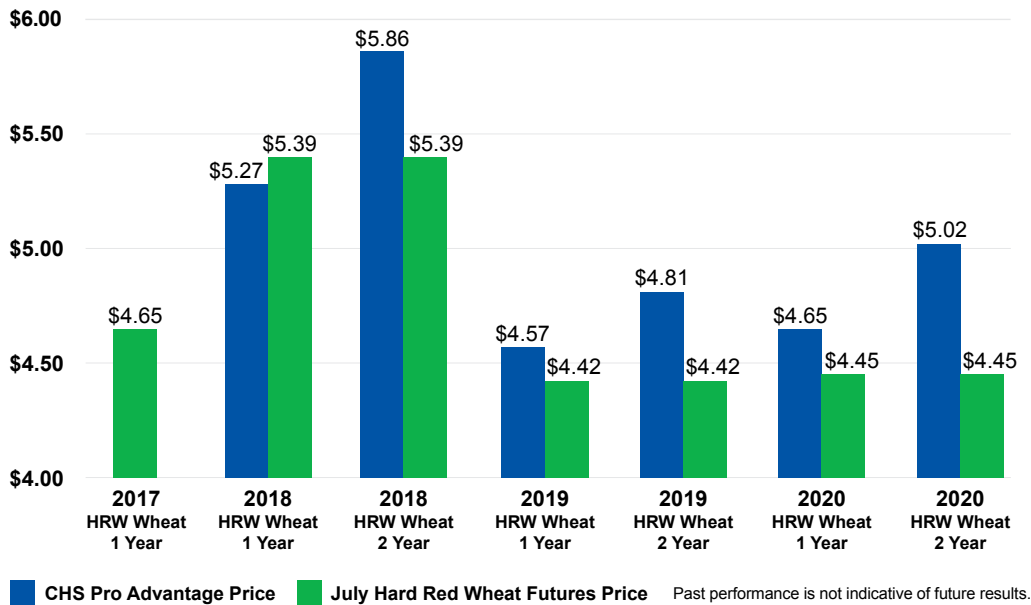

Enroll by Sept. 18, 2020

When you use CHS Pro Advantage contracts to price a portion of your crops, you're tapping into CHS Hedging, LLC experts that have a track record of success based on deep market intelligence. These experts are engaged in the markets every day, watching trends, talking to analysts and using a variety of strategies designed to maximize results.

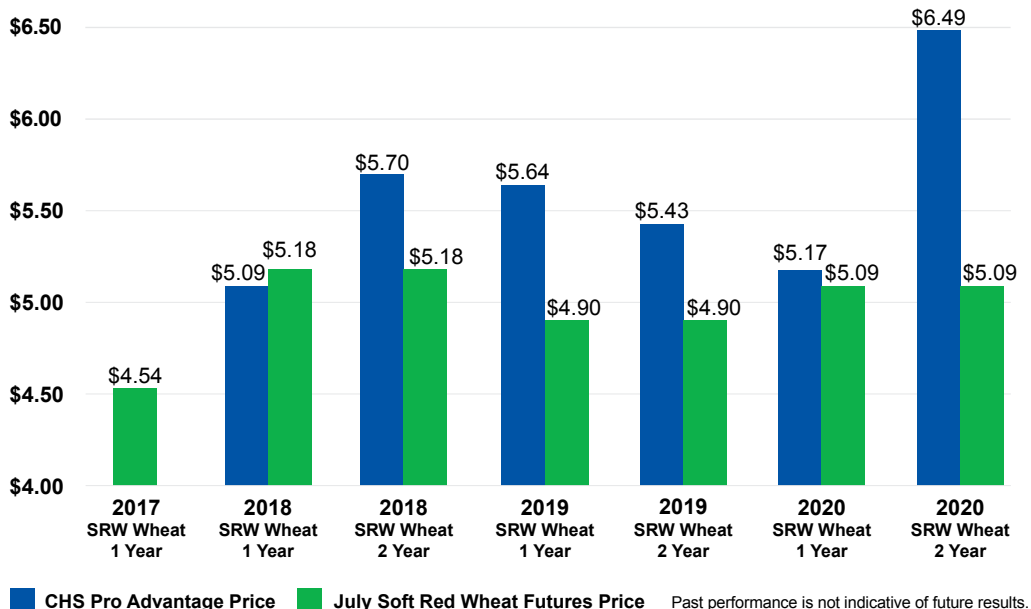

July Hard Red Winter Wheat CHS Pro Advantage Results – Historical

“ I allocate responsibility for some of my bushels to somebody who doesn't have an emotional tie to decision-making. CHS Pro Advantage makes sense. CHS Hedging manages a portion of my risk for me. It's like using cruise control on a car. I can relax and trust it.
